“ I had the pleasure of working with Mr. Tuman for many years at Lanier in Atlanta. Around the time Jim went into remission initially, I was diagnosed with cancer and Jim was one of my biggest supporters as I battled the disease. He was a great, caring man and will be truly missed. My thoughts and prayers go out to his family.

“ "Mr Tuman" was a great mentor to me. I deeply respected and admired everything about him. In my daily tasks, I still draw on the things he taught me. My life is so much better since I was given the opportunity to know and work with such a great man. I will miss him greatly.

“ I believe that God sends us people to impact and enrich our lives. Jim was one of those people in my life. From the time I first met him when he worked at the Tupelo Lanier plant to his time as Plant Manager at Dechard to the time I was privileged to travel to Mexico to work with the employees there for two weeks, Jim always treated me as an equal and with great respect. I will forever have fond memories of Jim and how he touched my life. My prayer is that he is resting peacefully in the arms of our Lord now. I offer my sincere condolences to his family.

“ Jim was a wonderful man. He was very caring and a pleasure to know. He was very intelligent and always had a kind word to share.

I was very happy for him when he was able to retire to spend more time with family, but was very sad to hear of his passing. He will be greatly missed

“ Even though I only worked with Jim from my arrival at Oxford in 2005 until his retirement, I feel that my life was richer just knowing him these past 8 years. I knew him to be a smart and compassionate business man. He truly cared for everyone around him in a world where that is not always the case. I know that you all, his family, will miss him greatly but know that he is in a better place than he has ever known on earth and he is free from the pain and discomfort that has been with him these past years. May God Bless you and be with you in this time of need.

“ I had the privilege of working with and for Jim for 30 years. Ethics, character, integrity, compassion, friend - Jim was all of this and more. I used to jokingly tell Jim that there were times when he needed to take off his "rose colored glasses" but he just wouldn't do it. He always saw the good in people; in what they could become. Thanks Jim. You were right. More of us should wear those glasses.
