“ I remember working with James over the years I work at Deltas maintenance hangers and he was a fun person to be around. Hadn't seen Jame in many years as I retired from Delta in 2005 and have moved back to Maine. My prayers go out to his family as the world has lost a great man and a loving family man.

“ I first remember Santiago when I was a child of about 4 when he came to live with us in Salinas, California before he joined the Marines . Though we left California he remained in Cali where he met Janet and raised a family.

About 19 years later, as a young adult I moved back to California and Santiago was very generous and inviting. He asked me to come and visit him and his young family. Which I was always grateful for the invite.

Many years later I moved to North Carolina and not too long after Santiago relocated to Georgia with his family. Again he was generous with hospitality to my and my then young family.

He will most certainly be missed by family and friends alike.

“ *Tears From Heaven:
When someone loses someone,
we tell them not to cry,
that life will still go on
without a reason why.
If God were to come down from Heaven
and see a lone tear fall,
I know he'd say it's okay
and it's love that we recall.
God wants us to remember
all the good times that we shared.
Tears don't erase the memories.
They remind us that they're there.
So don't stop yourselves from crying
over someone that you love,
as long as you remember,
that your Dad is safe now up above.*

We love you Natalie and are praying for you continued strength, courage, and peace. Your dad was a very kind man and I know he loved you so much. Isaac, Jacob, and Andela: we are so sorry for the loss of your grandfather. We know he was special to you and we are praying for each of you. Love Jen, Jody, Ansley, Noah, Peyton, and Ava.
