“ Dear Barb and family,
So sorry to hear of Jim's passing. He was a true friend and always there to add to the conversation. We will miss him very much. You and your family remain in our prayers. We know Jim will have many contacts in heaven and we hope he will have them praying for us since we will all be reuniting with him sometime in the future. Hopefully he will have a golf match setup for us.
God bless,

“ To Barbara and family, So sorry to hear about the passing of Jim. Our thoughts and prayers are with you and the family. Glad we were able to have a good visit at the LA 57 reunion last August. It was a pleasure knowing Jim and play football, basketball and track with him at Loras Academy for four years. He was a true competitor and gentleman. I just finished watching the DVD on the class of 57 that Jim made and gave to everyone. It is GREAT.

“ Barb & Family,
We will have you all in our prayers, Jim was a good friend of mine from way back at Loras Academy 57. Spent a lot of time with him then and since then at our many reunions. He always had a good attitude and was a true friend, coming miles to return to our little gatherings. I will miss him and Barb at these events.
