*The photos in this video brought back so many memories of Daryl, my daddy and uncle Bud. I remember Back when I was a child it seemed like the entire Roberts family would get together every weekend. Darly would always be there with my daddy and uncle Bud. Along with all the wives and kids. Those were the best times!! Thankful our parents gave us the opportunity to make memories we can cherish forever!!*

“ I worked with Darrell from 2001 until his retirement. I looked up to him because he always cared about his job and he took pride in his work. He was a good man. Prayers for the family.
