“ I used to get so embarrassed when you would tell my friends about the song you used to sing to me as a baby...i guess just being a dumb teenager i guess....but now I keep playing that song over and over in my head it hurts to know I will never get to hear you sing it again. I will never forget the things you did for me and the things you put up with. I love you so much and I miss you so much already....Im so sad that your gone but im glad your no longer suffering. I love you so much R.I.H Dad!
