“ My favorite memory of Mr. Jimmy is when my son, Ryan, brought his rock collection to Benton House to show him. Ryan and Mr. Jimmy talked about his rocks for a while and Mr. Jimmy passed on some of his knowledge. I sure will miss him and his smiling face.

“ Our deepest sympathy to Lynn and Gary and their families. Jimmy & "Pop" Wellborn hired me in 1964 at C.A. Wellborn & Son when my husband, Ed, was stationed at Fort McPherson in the Army. They treated us special and helped us enjoy our time in Atlanta. We have never forgotten them and the friendship they extended. I know Jimmy will be happy to be reunited with Gloria. Jimmy and the rest of the family are indeed kind and caring people. God Bless. Vicki & Ed Jackson

“ Your dad was special. I'm glad I got to know him and have him as an elder. You were blessed with your Dad a lot longer than a lot of folks. And that is something to be thankful for. I know you are going to miss him. I pray God's peace and comfort through the times ahead.

“ *Lynn, When I first started delivering mail, I was terrified. I had never driven on the wrong side of a vehicle. I had never been so hot, so cold, so sweaty, so everything. Your Dad was my encourager. The part of the route that became my favorite.. He was right where I needed him to be for as long as I needed him. If I pulled into their driveway, I never left without something. You guys are in my thoughts and prayers.*

“ Jimmy and Gloria were the first visitors to come to our house in Wedowee when we were building it. They invited us to Liberty and brought us a map to get there. That just continued years and generations of friendships with a wonderful family. He’s now reunited with his precious Gloria. Love to all of you!
