*Larry and family, Jane was a very special person. Because she was such an excellent student, I would've guessed that she would touch many lives as an outstanding teacher of children. One of my fondest memories with Jane was at a spend the night party at her house for girls our senior year. As we were all about to go our separate ways, I recall her sharing her hopes and dreams.*

*It appears that God blessed her richly with a beautiful and loving family. You will miss her, but I hope all your good memories and God's love will comfort you.*

“ Jane was a wonderful friend. Very beautiful and gracious. The love that her and Larry have for each other was so wonderful. In our many times together, we never saw them share a harsh word She was so proud of her wonderful family and loved keeping us updated on what they were all doing. Jane, you will be missed by many. So glad you are no longer suffering.
