“ My sweet friend and fellow worker at FCS. I know that we ate lunch together nearly every day for the 22 years I was there! Jane was one of the first people I met, and we formed a special friendship that lasted all of those years. We shared so many memories together. Some days during that lunch time one or the other of you girls would come up, and we would walk around the block pushing a grandchild. She loved her family so much, and we talked so often about all of you. We lost touch in these last few years, but many, many wonderful memories came back to me when I learned of her passing. I know your loss is almost unbearable now, but I pray as time goes on it will be replaced with peace and wonderful sweet memories for you. She was so very special. God bless you and comfort you at this time. May (Burch) Atkinson
