“ Sending prayers of comfort to Joey, Jan's children and the rest of the family. I didn't see much of Jan after high school, maybe that's a good thing. I didn't see how much she suffered. This way I will always remember Jan as a young, vibrant, beautiful, athletic, cheerful always happy person she was in high school. The girl that pulled the shy people into conversations, teased her older brother's and saw the good in everything and everyone. I will always remember her that way.

“ Saddened by the loss of Jan. My thoughts and prayers are with the Laster's and her children's and other family and friends. May Jan Rest In Peace with her mom and dad and brother Mike. The all have been reunited with each other in heaven with our savior Jesus Chris. May God wrap his loving arms around her family and comfort them in this sadden time.
