“*Jan was one of the kindest souls around. She never hesitated when someone was in need of love and support in Oakland Manor. When Carolyn was sick, Jan was right there! for us!! She definitely had a servants heart that exuded love and compassion for others! Through this, she gathered many crowns on earth. How glorious it must be for her to finally lay them at the feet of our Lord!!! Rejoice!*

“In everything I did, I showed you that you this kind of hard work, we must help the weak, remembering the words the Lord Jesus himself said:”It is more blessed to give than to receive.”

Acts 20:35

“ I am deeply saddened and sorry of the passing of "Jan". I met her about 15 years ago at the "Y" and from that point on we would meet on a monthly basis for a luncheon which consisted of 10-15 ladies. We especially enjoyed celebrating one another's Birthday's. "Jan" will be missed dearly. I pray for the good Lord to grant Peace, Comfort, Love, and Understanding to the family. God Bless You, Cherry Jackson Brooks

“ Jan Brown was a very special lady! She was a special part of our church family at Mt. Vernon Baptist Church! From her first visit she felt like you had always known her. She was always pleasant, encouraging and alot of fun! I want to always try to leave by her motto "today is a good day to have a good day". She will truly missed!💕

“ *My memaw... Our families rock. The one who took me everywhere from little 5 points to the cotton pickin fair (with her t-tops out bc memaw was also the definition of cool) she helped mold me into the little bit strange yet southern woman I am today. The reason my home is always open with food to feed bc that's just the way we were brought up. If you went to memaw's, you didn't leave hungry and even if you didn't come hungry you still ate bc it was simply the best cooking in the world! Especially that pound cake... That was almost as good as mamaws (even tho we all knew it was just as perfect as hers) Memaw has always been there for us all, doing her best to keep the family traditions alive even when miles sometimes keep us apart. She was our beacon of love and comfort. one that could always bring you laughter and loved all she came in contact with..*
