I am forever grateful and thankful for the unconditional love you shared with me Grandmother! You were always the sweetest and kindest soul! Thanks for the morals, values, and principles you instilled in me to make me the man I am today! I am so glad I got to visit you the last time I was home! It had been so long, yet you made me feel like it was yesterday! I'm sorry I didn't visit sooner, but our time together was Awesome! I have so many great memories and you will always have a special place in my heart! Jenelle still reminds me of how amazing of a person you were! I love you to the moon and back! May you rest in peace and say hi to my Pops! You will never be forgotten!

“ *What a beautiful person Jean was!! She Loved her husband and family. She talked about her children and grandchildren, and of course, Mickey, all the time. It was a joy to know she and Mickey. I know when she got to Heaven, she had so many great reunions. One thing for sure, anything that anyone could say about Jean, would be nothing but good. I know that God will have a special place for her in Heaven , because she was a special lady.. Prayers to the family.*

“ *My grandmother, Marian Saye, was especially close to Jean as I was growing up. I will always remember how fond Jean and Nana were of each other. We'd all go to lunch when I was in town. When Nana passed away, Jean kept in touch with my mother, Linda Cook. Jean's continuous support and care during my mother's illness were a huge comfort and blessing. Jean was a genuinely warm and generous person. She will be missed.*

“*Jean was such a warm, caring and loving lady. We will miss our dear friend greatly, but know we will see her in heaven. She could not hide love or keep it a secret. Love gives even when it would be easier to walk away. She always went to the Lord in prayer for others and herself, in all physical, emotional, and spiritual needs, she drew strength and gave strength. She rested in the Lord in this life and is resting with the Lord now.*

We will miss but for a little while till we see her again,
