“ *Mary Lynn, John Woody, and John Patterson may Jesus be with you during this time.*

*Jean was always a first-class southern lady with a big heart and a sweet smile. Anyone that had spent any time with Jean and John Woody could see and feel how much they loved each other.*

*My mother and Jean were childhood friends. Growing up in the 1960's, Jean and John Woody were a big part of my childhood. When my mother and Jean were together, they would always be laughing about something as if they were still teenage girls.*
