“ We called each other twin sisters. Jeanne and I was born on the same day in the same year, Sept 20, 1969. Our friendship started at KWE. My heart hurts but I thank God for allowing me to see and talk to my sister/friend before her passing. Jeanne was a calm soul, who never complained and just dealt with this thing called life. My heartfelt condolences to her children & family. May God strengthen and comfort you To my twin sister, love you, SIP ❤️❤️

*Dear Jeanne... i enjoyed working with you and getting to know you over the years. It has been a while since we talked but you were always on my mind. I remember us discussing so many of the milestones in yours and my life. I remember how thrilled you were when you found out Jessica was pregnant with your first grandson. You could not quit talking about how you could not wait until he was born. I know that your grandsons have brought you much joy and laughter. You were a beautiful soul and will be dearly missed. I hope everyone can find peace in knowing that you are out of pain and into glory.*
