“*Juliana, Jacquelyn and Joanna,  
Our love and deepest sympathy to you and your families in the loss  
of your precious Mom.  
We called her "Ms. Jeannie" and we loved her so much. She loved  
all the children she served in Children's Ministry at Bell Shoals and  
then at Calvary Church. All the kids loved her too, because she just  
radiated Jesus' love to them.  
I had the privilege of working at Calvary for a while and have sweet  
memories of her genuine joy, enthusiasm, kindness and deep love  
for the Lord.  
We are just so very sorry.  
Karen & Bob Wilcox  
(our now adult children, Kim & Brian, remember her and send their  
sympathy and love too)*

“ Juliana, Jacquelyn and Joanna,  
The news of the loss of your Mom has been overwhelming. I found myself flooded with precious memories of being at Bell Shoals with your family and then on staff with Jeannie. We roomed together at retreats, we enjoyed a sweet friendship and always shared all that our girls were experiencing growing up.  
Our lives drifted apart when she moved to Georgia, but a friendship, especially bonded in Christ, just seems to pick up at any point it left off, like it was not interrupted by time.  
I will always remember that her birthday is on our wedding anniversary and that she made the best Italian Cream Cake I ever had - I still have the recipe.  
We are so sorry for the loss you each are walking through without her. I know especially how true it is that "the greater the love, the greater the loss."  
Please know we care and are very, very sorry.  
ps.  
Private message me on FB and I will be happy to send you any of the photos I may have of her, if you would like them.  
Gary and Anita Sinkler (and love & sympathy also sent to you from Tracy & Robin)

“ I loved your smile Ms. Jeannie. You were the most precious neighbor. Standing at my kitchen window will never be the same. I will do my best to be there for your sweet girls. I know, if I'm only half the person you were, I will succeed. Laura and Danny

“*“Miss Jeannie” was her name to so many; children especially. She demonstrated the love of the Lord to all as she pastored the Calvary Church children's ministry in Brandon, FL. She was a team member of the staff and a dear friend. We are grateful for the time we served together and for her sweet, sweet spirit. Our prayers and sympathy go out to all the family.*

“ *I was so sad to hear of Ms. Jeannie's passing, it completely ruined my day. Her and I were both coworkers, and her daughter Juliana was my English teacher while I was in high school. Ms. Jeannie was a sweet woman and willing to help out wherever she could. And her daughter was also very sweet, and I can't imagine what she is going through right now.*

“ *Resolution of Respect in Loving Memory of Jeannie Ballard Wright*

*We, members of The Ruth 8 am class, got to know Jeannie and Juliana when she asked for a ladies Sunday School class when attending church one day and that person recommended us. I wish I knew who it was so I could have given her a big hug. We were so blessed to have these precious sweet women of GOD in our class. Jeannie would bring us small candies to share. I considered it a reward for coming to class and participating. She, also, participated that summer to make sandwiches for the Lunch Bunch.*

*When she was having these issues from her surgery, we circled her and family in prayer. The doctors were able to get some diagnosis, but it did not stop the severe pain she was having. Jeannie and Juliana continued to make every effort to get to church and to be with their family of GOD at First Baptist PTC.*

*Even in her pain, she made food to take to one of our class members who had lost her husband suddenly.*

*“Though your days among us were too brief and our grief at your loss is never-ending, we draw comfort from the knowledge that you have found safe refuge in our Lord and in our hearts, where no darkness or pain can touch you now. We bless you with love, light and our gratitude.”*

*For the family: Isaiah 60:20 ...The LORD will be your everlasting light and the days of your mourning shall be ended.*

*Matthew 5:4 Blessed are those who mourn, for they will be comforted.*

“ *To the Ballard & Wright family It was a joy to know Jeannie and her family. I had the opportunity to serve on staff with her at The Rock Baptist Church, Fayetteville, GA. She loved children and her mission was to teach them about Jesus and HIS love for them. She always had a kind word and understanding heart for others. She was a very devoted daughter, mother and sister. In loving memory Linda Patterson.*

“ I am so deeply saddened to learn about the passing of such a dear, sweet person and friend, who unselfishly gave of herself in so many ways. Jeannie, you were such an inspiration for all of us. You “fought the good fight”, you never complained even in those moments when I knew that you were facing challenges way beyond what most of us had ever experienced in our lives. Some of those challenges went straight to the center of your beautiful heart but you kept going with a strength that was built on a Faith that could have only come directly from our God. Through it all, you never let any of that overwhelming adversity prevent you from being a bright beacon of light for each one of those “special” kids that we transported daily. They loved you at least as much as you loved them. I have and will continue to miss you as a friend and example of how we all should strive to be.

*Rest in peace dear lady.  
With lots of love, John and Marie*

“ Mark and the Wright family, I will always have wonderful memories of Jeannie and I will truly miss her beautiful smile, tender loving hugs and the love for Jesus Christ. She was truly a angel here on earth and I am honored that I got to know her. My thoughts and prayers are with you in this difficult time. Blessed are they who mourn, for they will be comforted. Matthew 5:4  
I read a poem on friendship by Clay Harrison and I would like to share this with your family because it is about Jeannie.

*Friendship is a golden cloak  
That is warm and proven true  
Sewn by the Master Weaver  
Who designed it for you  
Friendship is a gift God gives us  
More precious than gold  
A gift that keeps on giving  
That never grows old  
Friends are gifts we wrap with rainbows  
Each one a work of art  
For the essence of true friendship  
Is crafted in the heart  
Friendship is a gift God gives us  
More precious than gold*

*Thank you Jeannie for your friendship
