“ Although I never got to personally meet Jeff I feel I knew him well through Aunt Mary and Uncle June (Mark) Fetterolf. They both spoke so often and loving of him. I know he was a man whose faith in the Lord led him each and every day. May that same faithfulness now lead all of you through the devastation of losing him here on earth. God Bless from your pa family. Susan Royer

“ Y'all are always in my heart and my prayers.. My favorite memory of the two of you will always be our ride home from school in that black roadrunner, Selina at the wheel turning that corner off Stewart Ave and Mr Jeff swinging the passenger door open ... I always think of the true love and joy y'all have and how brightly it always shined Much love to you all

“ Jeff even though we were unable to visit you are so loved. Our childhood leaves many memories to cherish till God calls me home. You were always making us laugh with your silly stunts. When you and your brothers came to visit us in Covington we had a blast. Thank you for the love and leadership you provided me in your posts and what time we did talk. I love you so much cousin and I will see you again. Fly high with the Angels
