“ *I am deeply saddened to hear of Jeremy's passing. I have so many memories of him from playing baseball in the yard as kids to hanging out on the porch as adults. I am very proud of the fine man that he was, and the happiness he spread to others. I will always remember that smile!*

I am very grateful for the times we had together, and I am so glad we kept in touch and texted on your birthday. I love you buddy and I will miss you greatly until we meet again!

“ This is Russell. I worked with Jeremy & not only that went to the gym and played basketball together. He was a very humble & kind man & good friend to me. He will truly be missed at Southwire . I talked to Him last Wednesday about the new girlfriend he had met & we talked about his grades in school. We hug & said we love each other & thank each other for our friendship not knowing that that would be the last time we would talk to each other . I pray that God will strengthen you guys & remind you guys of his love & peace. My heart is heavy for you guys but things will get a little better with time.. He is going to be truly missed.

“ Oh Jeremy, how I will miss you. I could always count on a hug. You would ask me how school went that week & I would then ask you how it had gone for you. I tried to encourage you when you seemed nervous about going to college as a non-traditional student. The instructor you had was just who you needed & Sunday, you told me you were going to take 2 more classes with her again in the Fall. You thanked me for encouraging you when you needed it & I said that's what friends do. I love you Jeremy and know I will see you again.

“ I met Jeremy at Southwire Fitness Center on May 2022 at yoga class. He was very lovely and kind. Sometimes I saw him at work, he always smiling. I gave him for his birthday this year a little rug with his name on it. I really will miss him at work. I know he is already with Jesus! Rest in Peace my friend. ❤️
