“ Pat and Eric were wonderful neighbors growing up on Jeffrey Blvd. We had good times at our annual Labor Day picnic and Christmas Eve gatherings. Pat was always so pleasant and did a wonderful job with the Girl Scouts for many years. My deepest sympathy to Judy and Sandy and the rest of the family

“ Pat was a wonderful neighborhood mom and a great Girl Scout Leader. She taught me to like myself for who I was and to have fun along the way. What a great leader and mentor for so many young girls in Cumberland. My love to her family!
