“ I don't have much to say, just for the simple fact I don't know how to put the words together. I'm Jerry's great-granddaughter, and I miss him a lot. It's been years, and I still remember the moment I was told. I remember taking his peppermints and eating them until my cheeks started burning and listening to "Toes" by Zac Brown Band. Fly high Papa Jerry.

“ I'm not sure who still reads this 5 years later but I'm Jerry's granddaughter Tiffany. I'm so glad all of you had so many wonderful memories with my papa. He was my heart. Whenever I needed him he was always there. I remember sitting in his lap and driving. I miss him dearly. This man is the definition of a hero in my book.

“ So sorry to hear of Jerry's passing. I, as well as my wife, Betty Jane Steadham, grew up with Jerry in the old 'Tell' community. The Fuss family were pillars of the community. Jerry(Radar)was special. I had the privilege of coaching his son Phill in fooball back in the '80's. To Phill and all of the Fuss family I sent a prayer for you in this time of great lost. “ So very sorry to hear this. Jerry was my very first boyfriend. We were neighbors on Palm Drive in East Point. I still have the valentine he left on my front porch when we were about 6 years old. Love this family and the wonderful memories of their parents and all of them so much. Those were great days in that very special neighborhood. My heart and prayers are with you all!
