

## Jerry Dean Hartman

July 25, 1934 - December 27, 2025

Jerry Dean Hartman, born on July 25, 1934, passed away peacefully on December 27, 2025, at the age of 91. He was a cherished member of the Peachtree City community and a faithful member of Flat Creek Baptist Church where he held many lifelong friendships through his Sunday School class.

In addition to being remembered for his kind and gentle spirit, Jerry had a keen mind for science and mathematics and used those gifts for many years in his work as a mechanical engineer for Porex Corporation. His designs contributed to many innovations that streamlined complex manufacturing processes.

Jerry was a lifelong, loyal fan of his Atlanta Braves and spent many spring and summer days enjoying the game of baseball through their talented players. In his later years, he developed a special relationship with cheeky squirrels who not only frequented his front yard daily, but quite literally enjoyed snacks from his very own hand.

Jerry is preceded in death by his beloved parents, John and Mildred Hartman, his dear wife, Frances Louise Hall Hartman, and his siblings Kenneth Hartman, Joy Castaneda, and Donald Hartman. He leaves behind a loving family, including his daughter, Linda Grisham (Stan), and his sons, Richard Hartman and Timothy Allen Hartman (Agena). He was a proud grandfather to

Jason (Claire), Kalyn (Kyle), and Ashley and a great-grandfather to Max, Jaxon, Bryce, and Ryleigh.

A graveside service will be held in his honor at Holly Hill Memorial Park on January 5, 2026, at 2 o'clock. Prior to the service, friends and family are invited to gather for visitation at Parrott Funeral Home from 12:30 to 1:30 p.m. on the same day.
