“ I had the privilege of caring for Goldie at the nursing home. She was such a treasure! I had many wonderful conversations with her at night and grew to admire her very much. I will miss her!

“ Goldie was a wonderful grandma to me for 10+ years. I was so fortunate to be able to stay with her on several different occasions with Ruth. Playing 10,000, looking at photos, hearing stories and getting to spend a lot of time with her. She was such an amazing and loving woman who accepted lots of different people into her life. Thank you Goldie for accepting me into your life! You'll always have a huge place in my heart.
