“ From Stingray's in Riverdale unil a month before Christmas when I last talked to him about the very car the Arcade was named after Jimmy was always the same. Never had a bad thing to say about anyone and always kept the peace as well as he could with all of the women he had surrounding him! Him and Angela helped me through some really bad times and never asked for anything in return. I am one of many, many people they took on in there huge extended family. Both of you changed more lives than anyone will ever know. Thank you. Jimmy I love you buddy. You will be missed by many but forgotten by no one.
