“ Dear Pat and Sons, We send our deepest sympathy to you and all your dear family. We were so shocked to read this on someone's face book. You are all in our thoughts and prayers. Praying that God's love will comfort and surround you and the family during this time of grief in the loss of Jimmy. He was such an inspiration to Johnny and myself and loved by us and so many others in our church family. He had such a wonderful personality and a such a happy spirit. We all have already missed him in church during his time of illness, but now we know we will meet him again someday in heaven. I know heaven is a lot brighter now with him there. If we can do anything for you, please let us know.
