“ We were deeply saddened when we learned that Jimmy had passed away. We are thinking of you and send our heartfelt condolences.

It seems like it was just yesterday when Jimmy was diagnosed with his illness. Doctors gave him only a few months to live; however, his spirit enabled him to gather the strength and determination to remain with us for several more years. He is a man to be admired. We were deely moved by the devotion you showed during the period of Jimmy's illness. Your concern was an indication of your love for him. Although he was a fiercely independent man, we know he appreciated your involvement and help.

With affection and deep sympathy, we hope that your fond memories of Jimmy will give you comfort.

Love, Dr Thronton, Liz, and Joan

“ Linda&Scott
I just got the call from Larry about Jimmy. I wish I was closer so I could be there. The first thing I thought of was Jimmy's big smile and loud laugh.Oh I can't count the number of times when I was down and he picked me up with a few words or a joke.
We will miss him dearly.
