

## Joan Croxton Carder

December 27, 1955 - August 2, 2017

Joan Carder was diagnosed with cancer in March. She fought a good fight but passed away peacefully on Thursday night August 2nd, surrounded by her 5 children, a sister, & her very best friend. Those that knew her loved her. She was loving, funny, & cared for everyone around her. She was "Momma" to all. Though we are all devastated by the loss of this strong-willed, big-hearted woman we take comfort knowing she is no longer suffering. She is survived by her five children Joel Wells and his wife Laura Wells, Katie Blanchard and her husband Mark Blanchard, Sara Senese and her husband Josh Senese, Rebecca Norris and her husband Daniel Norris, and Joe Carder and his fiance Misty Gottom. She is also survived by her three siblings Carol Barnes, David Croxton and his wife Marsha Croxton, sister Marsha Croxton and her life long best friend, Elaine Hiatt. Additionally, she is survived by her 12 grandchildren that she thought the world of. A Memorial Service will be held Saturday August 12, 2017 at 4 o'clock at the chapel of Parrott Funeral Home with Pastor Paul Allen officiating. The family will receive friends one hour prior to the service at Parrott Funeral Home & Crematory. 770-964-4800.

“ I had the pleasure of working with Joan. A cheerful greeting early in the morning, a positive note to any situation and her being a family person are just a few things that will be missed. My deepest condolences to friends and family of Joan.

“ I was able to have the pleasure of working with Joan the last 3 years, she was a joy to have in our department. She was always pleasant an excellent employee and I love how she decorated her desk for every holiday an occasion. She also brought in decorations for others to decorate their desks. She will be missed dearly. My sympathies to her family and friends.

“ *Joan made me a better mother before I even had a baby. She taught me patience and the perspective that spending time with your children was way more important than a spotless house. She said that there would be plenty of time for a spotless house when the children were grown. My son benefitted greatly from her advice to me.*

*I always thought Joan was such a bright spot in a sometimes not so bright day. She always seemed to be full of adventure and fun. She made me laugh at a time in my life that I needed laughter. My daughter, Julie loved spending time at the Career home and I always felt at peace that my daughter was safe with Joan. Joan was filled with such joy and life and I do believe that she was put on this earth to be a Mom because she excelled in that part of her life. All of you kids had a great role model in your life. You are fortunate. You have great memories and your Mom will forever be with you in your heart. My Love, thoughts and prayers are with you all. Sandy Greene*
