“ Thinking of Joan reminds me of all the laughter we shared while researching family genealogy. She was a whiz at such research. She was always determined and persistent in finding the right record sources. We shared a lot of love and laughter growing up in the large Hembree family. I treasure those memories. Her passing reminds me how grateful I am to have been her Cousin and friend.

*So very sorry to hear of Miss Joan's passing. We were neighbors for may years and she taught me a love of local history as well as delving into ancestry.
May she rest in peace with her dear husband, Willis.*
