“ Mama J has always been a strong voice in our family. If she had opinions, you were gonna hear them whether you liked it or not. I hope my daughter is as strong willed as her. I hope her fiery spirit lives on through my daughter. Mama J loved Marcy so much, and I know that Marcy loved her too. It was a gift to have a great grandmother who loved without limits. We will miss her everyday.

All of our love,  
Dylan, Dayla and the little tornado.
