“ Getting ready for a cookout, dad's got the grill going, mom's doing some pasta salad inside, there's a yell, "hey Bon bring me _____"..... next thing I know there's ketchup and mustard squirting through the air, laughing, screaming going on and I realize, my parents are crazy, but they do have fun. Not sure if we had any left for the hotdogs but it didn't really matter. Laughter is always good

“So we were out with a couple buddies of mine at the diner, and the waitress comes to get our orders. And I says to her, “Do you have frog legs?” And she says yes; so I told her, “Okay, why don’t you go hop in the kitchen and get me a cheeseburger”.
