“ It was a shock to learn of Joe's passing We were friends for 25 years and even though I had moved to Newton County, I still drove to Joe's for my cut and conversation. We had so much in common, it was refreshing just to talk with him. Condolences to Lisa and family. I will miss him also!

“ Our hearts are heavy today as we've just learned of Joe's passing today. Joe had been my barber for the past 43 years which dated back to East Point. He gave our two sons their first haircuts in East Point. Bless his family during this sad time. He was a true, great American who will be missed greatly.

“ Joe has cut my hair since the early 60's. When he moved to Tyrone, I went with him. The drive from Newnan was worth the experience. Joe always greeted me with a sincere and personal welcome. A haircut by Joe meant more than a haircut. Joe was also part politician, part philosopher, and part East Point historian. I always got a bit of each combined with the very best haircut around. When it was your turn in the chair, you became the most important person in the shop, and Joe made sure you felt that way. He would talk about any subject that was pertinent to the time. Joe, I was going to get a haircut before I came to visit you the last time, but I didn't know a barber that was good as you. Another time, my friend, I am sure.

“ Our thoughts and prayers are with the Eidson family. So sorry to hear of the passing of Joe. I use Joe in East Point for my barber, karate instructor as well as my sons first hair cut and instructor. I've had the pleasure of knowing Joe for over 40 years and he was a good man , but most of all he was a great friend. I even followed him to Tyrone to get my hair cut. I want to thank God for giving the friendship I had with Joe and may God bless the family.

“ *It was with great sadness that we learned of the passing of Joe. He was a true ambassador for our organization and a pillar in our community. The donation jar at his barbershop raised enough money over the years to send more than one hundred HeroBoxes to deployed service members. He will be deeply missed but never forgotten. Our prayers are with his family and friends.*
