

Joe M. Kieve

February 29, 1944 - April 19, 2017

“ My thoughts and prayers are with you all. I had the honor to be one of Joe's students when he taught at Briarwood High in East Point and I can say he was an inspiration then and remained so with his service to the church and our Lord. May God grant you peace and know Heaven is rejoicing with Joe's homecoming.
Sincerely, Alan Benefield

“ Our thoughts, love and prayers go out to the Kieve family. Joe was a blessing to our family in so many ways. A friend to my father, sitting with our family during my mother's many surgeries, installing hand rails for my mom. We always enjoyed our talks with Joe. He was one of the first people to come to our house when Daphne was tragically killed earlier this year, and prayed with us and gave us words of comfort. We will miss Joe, his warmth and sincere love he showed for so many. May God comfort you all.

“ Dale, Mary Jo and Jay: Our hearts go out to you in this time of sadness and our prayers and love are sent your way. You may not know this, but I thought Joe was the coolest guy I knew. When I was a senior in high school, I skipped a day of school from Brown High school with a friend and went to Briarwood High just to check it out. We got in trouble of course because we weren't suppose to be there. Joe saw us running in the haul and directed us to his workshop class where we hid out until the coast was clear. We talked about that for 40 years and I always told him how cool I thought he was. He was a great husband and father and had a wonderful life with a great family.

“ Dale, Jay and Mary Jo my heart goes out to all of you in the loss of Joe. What a special man he was. It's been many years since I have seen you all and you may not remember me but please know my heart is with your family at this time. By the way, Jay and Mary Jo were not supposed to grow up. I remember babysitting the two of you many times when we were attending Dogwood Hills. Prayers for all of you in the days ahead.

“ I will never forget that this great man trusted me with one of the things he cherished most. He and Ms Kieve let me take MaryJo Skiing in North Carolina with Alisa Gibson. Well to make a long story short we had a great time rite up until someone stopped short in front of us on the last day. My car was a little damaged and I called him to let him know and all he said was is everyone okay and we will see you when you get home. We got home safe and sound he gave me a hug and we prayed and thanked God for a safe return.....I will miss his forgiving spirit and smile.and calling him on his real Birthday to wish him a Happy one. Much Love and Prayer to the Family... Kathy Martin
