“ I am so sorry to hear of Joe's passing. He was always such a help for Mama on Pittman Road so many times. He plowed her garden many times after my grandparents died. I remember as a kid going in the store and getting gum and candy. Such a kind hearted man. He will be missed by so many.

“ Mary, we are so sorry. what a great guy Joe was. Everyone just loved him. Perry and Joe worked together at Fulton Co for years. I guess we've known Joe for about 53 years. Ms Bonnie was such a great friend to him. We saw such a change in him. He was so happy. Loved life w/ her so much. Joe loved to come to Cedar grove and here Gene play his banjo Joe loved the banjo. We will miss him and that great laugh. God bless you Joe.

“ *Joe , my mothers baby brother, was my last and favorite uncle. So many good memories. I remember helping him cut trees when I was a teenager. I am so sorry that I will not be able to be there at the service. I will see you again with your sisters and brothers in Heaven. Love Larry Todd (Bud)*

“ *It was an honor to be Joe's next door neighbor for almost 20 years. Whenever he passed our house, whether going on his morning walk, on his tractor, driving his old old Ford truck or his new truck, he would always beep and holler out our name. When walking over to visit Joe, he was frequently on his front porch sitting in his chair reading his Bible or out cutting wood. We knew not to visit on Saturday night because he would be off with Bonnie listening to blue grass music. Joe was a blessing to this world and now he is a blessing to Heaven. He will never be forgotten. Glenn & Francine Hope*
