“ I had the pleasure of having Joe as a Lead Mechanic in dept 331. Joe always had a smile and helped this new mechanic learn so many skills. I left 331 in 1985 to go to the Line, everytime I saw Joe in the hangar he would yell out my name and greet me with a vise-grip handshake. What a Great Human Being , he will be Missed by All.

“ *The very first day I met Joe and Nita Turner I became their daughter. They have loved me as their own and every second we spent together will forever be a cherished memory. Daddy had the biggest heart and he always put everyone's needs above his own, right to his last breath. What a void in our hearts this loss will be. Thank you dad for being such an amazing man. We will miss you so much, but I know one day when we get to glory we will hug your neck again. Find the good fishing spots! We love you so very much!*
