“ Joel will be missed so much! He was such a special person with a wonderful heart who did so much for so many. We are still hearing stories of how far and wide he touched this earth and other people. If anyone needed an example of how to leave a legacy, this is it. He never even talked about some of these things he accomplished and did in his life. He never needed recognition or attention. He just wanted to help. I pray he knows he was loved and appreciated! Rest in Heaven Uncle Joel.

He cared and shared his love with all. He was my best friend!! No one knows how much you can give but Joel gave, and gave, so much to many but His love for my mother and my family is immeasurable!
