“ *Joel has always said he did not want sadness when he went home to be with the Lord. He wants us to remember him, sing, dance, and celebrate. Betty Maddox*

Joel was my favorite brother in law. We could always talk about every category that interested us. He'd tell his story, and then I'd tell mine. We had to take a break as we laughed so much the room vibrated. I was always welcomed, appreciated and loved. He got "promoted" yesterday, he just didn't die. He was a believer in Jesus Christ, and because of that He is now face to face with the Lord, no more sorrow, no more pain. He was loved and devoted by Betty for 53 years. Grately Yours from Dianne Maddox

Joel was a friend of mine although I never met him. I talked to him often over the years. He always talked about his cats, deer, and wife's little dog. He was a country music legend and could sing and play the guitar like no other. I am so saddened to hear he passed away. Heaven has received another wonderful musician and singer.
