“ *My brother. I dont know what to do without you. No more family trips, no more "Pomerians". I am surely lost.
My buddy, my pal, my friend
It will be that way
till my end
And wherever I go,
I want you to know,
Youre my buddy, my pal, my friend....
Always Love
Your Sister*

“ *I am deeply saddened by John passing. He has been a big part of my life for many years. I worked with john throughout my 20s. Part of them were troubled. Given his level of compassion he allowed me to fail then grow and fix my mistakes. I attribute my success today directly to John. He is the reason I am where I am today. Luckily I was able to express my deep gratitude to him over the phone recently. Was really hoping I would see him again one day and thank him in person. He will forever be a part of my story of life and will miss him dearly. Much love, Mike*

“ Deeply saddened by this. John was a big part of my life for many years. I worked with him throughout my 20s and he was big part of my success. I had some troubling times in my 20s. With his compassion he allowed me to fail then grow and fix my mistakes. I am where i am today because of him. Luckily I was able to express my deep gratitude recently to him on the phone. He will forever remain in my heart. He will be missed.
