“ *My family and I have known Mr. Dailey and his family for more than 60 years. My Dad, Ward Lawton, worked with him for 25 years as a fire fighter with College Park Fire Department. As families we shared many Christmas dinners at the fire station. When my Dad and Mr. Dailey retired they were able to keep in touch through frequent fire fighter reunions. When Mr. and Mrs. Dailey moved to Fayetteville they were my neighbors. Mr. Dailey loved working in the yard and it was always so beautiful and still is. Sometimes I would stop by to talk with Mr. Dailey and take pictures of his lovely flowers. He was always so kind and appreciative. He loved the Lord with all his heart. He also loved Mrs. Dot and all his family and shared many fun memories with me. He was a real prayer warrior for his family and friends. Our family will miss Mr. Dailey. I will especially miss our chats and seeing him working in his beautiful yard!*

“ *Captain Dailey*

My Captain, a man of integrity, honesty, and bravery. like most Firefighters from his era never got the recognition or the pay he deserved.

A man with two families , One at home, the other at the fire station. He loved and protected both families.

He loved to build , read and fish. The only man I ever knew that could extinguish a two alarm fire with a booster hose.

A man with a great sense of humor, he seldom told a joke, but always laughed at mine.

ENJOY PARADISE MY CAPTAIN...AND WHEN I GET THERE WE WILL TAKE OUR BEST FRIEND FISHING.

“ *Raynard was a wonderful friend; so caring and kind and encouraging. I knew him first through Fayette Society of Fine Art. He was our "go-to" framer. I hope his family knows how wonderful he was to all of us. He will be missed sorely. My regards to all of you,*
