“ *Linda and Patrick - we loved John very much, from the day we met you three in Peachtree City around the hockey rink. He was a great friend, a kind person, always smiling, smart, and compassionate with others. I know he got a good seat now, not too far from the lord. Helene, Sylvain, Daniel and Martin and I are thinking of you and we send you our love.*

“ *Hi Linda,
It is with such sorrow and sympathy that I read the news about John. What a life he has had, cut way too short and filled with too much pain and suffering. Through it all, the two of you created a life filled with friends, family and so much love. My heart fills with grief for you, Patrick, and all of those who were close to John. An unspeakable loss to carry through life. You have lived way beyond your years as you have coped with his long battle and walked with him through all the ups and down. Knowing you has enriched my life. It is with admiration and sincere humility that I offer support and prayers to you.*

“ I had the honor to meet John and Linda just prior to the 2015 National Truck Driving Championship. He and I worked for the same company. We grew up within 20-25 miles of each other, but met in 2015. It breaks my heart to hear he's no longer with us in this world. Keeping Linda and the rest of the family in our prayers. He was a great guy.
