“ Kenny & Val,
You and your family are in my thoughts/prayers. My deepest sympathy is with you during this time. While no words can ease the sadness that you feel, I pray that you soon find comfort in the wonderful memories you/Dad shared. I will never forget seeing him dance so lightly on his feet at your wedding reception. He outdanced everyone in the soul train line! He was very kind, warm, and funny. I know how extremely close you all were, and Val always spoke about him being a wonderful Dad/husband. Time and faith heals all things. This too shall pass. God bless you all. Much Love... Vivian

“ Yahseph's and my thoughts are with you all during this very difficult hour. With fond and loving memories we salute you. My memories are of Hutch teaching me (as a young nurse in the 70s) all that he knew in ICU and serving as my Medic in the 1207th and 129th US Army Reserves. Hutch was always a delight. I was so grateful to last speak with him (with Hilda's help) a few years ago, since retiring and moving to Texas. May Father Yahweh Bless and keep you.
