“ *A great friend, responsible person, a great father and family man. he kept his sense of humor all the way till the end... I respect him very much. He even tried to fool the Hospice person that came to ask him about his wishes...*

“ *I have always referred to Ted as Conner's dad and Jill's husband. He and Jill always made me proud for Conner. They did such an excellent job raising Conner to be such a fine young man. It is truly an honor to call Conner and his parents my friends. Conner's dad (Ted) always made me laugh. Even though he was very tall, his personality was larger than life. I am sure that he has everyone laughing in his heavenly home. Jill and Conner, please know that you are in our thoughts and prayers.*

“ *Teddy and I had some great times growing up... like trying to scale the wrong side of Stone Mountain, being rescued by the park rangers and the whuppin' we got from our dads! I look forward to more shenanigans with him again some day.*
