“ I was so sorry to hear this evening that Johnny McClure had passed away.

I first met Johnny McClure at 4H-Camp in the Summer of 1971. He was a year older than me and the coolest guy in 4H-Camp. I did not see him again until the Fall of 1973 at Campbell High school when I moved from Palmetto to Fairburn. I was still looking up to Johnny. We went camping a few times and his father would take us out boating or fishing. Johnny and I mostly went to Underground Atlanta in days before IDs were checked. Johnny could always find new friend wherever we went.

Johnny called on Thanksgiving Day 1974 and told me he a been stood up for a date and ask me if I could go a George Harrison concert in about 2 hours. I do not know what young lady stood Johnny up, but if she is reading this ... thank you! I saw Johnny a few times in 1976 and 1977 and we made few road trips together. We lost contact with each other in the late seventies as people start doing at that age.

Johnny was always laid back, easy going and had a big heart too. We never had an argument about anything and he always me smile. Johnny will always be the coolest guy from 4H-Camp.

Love to Johnny's family, I'm a Va. cousin from the Brock side. I remember summers in Ga. with Aunt Pallie Uncle Herman and the boys Randy and Johnny. It was always fun. Johnny was endless energy and fun. The distance and infrequent visits made it hard to be close but there was always a connection. I have great memories of Randy and Johnny. Thankful for knowing them. ❤️❤️

“ I was saddened to hear of Johnny's passing. As we got older, we usually just saw each other at family reunions or at church with his family. Johnny always had a smile on his face. I have fond memories of him at Bible School and Sunday School at Mt Vernon. It breaks my heart to think of them gone but I know Johnny is rejoicing with his mom and dad and with Randy. I will miss him.

“ Suzette, I am so sorry to hear this. I always enjoyed seeing you and Johnny at the McClure reunion. Sorry we did not get to have it this past year, but I just want you to know that I miss seeing y'all and will be keeping you in my prayers. I remember Johnny from the time he was a little boy and so loved by Herman And Pallie. He and Randy were two Special little boys who brought much joy to their lives. If there's anything I can do for you please do not hesitate to let me know.

“ My sincere condolences to Johnny's family and to Mark Elrod. I am very sad to hear this news. The last time I saw Johnny he had just gotten out of the Navy and was optimistic about his future. I went to school and church with Johnny and have very fond memories of the entire family. Thank you for sharing the photos.
