“ Its been fprever since I seen Mike....we were about 15 years old and Mandy Newsomes house...Mike was such a cutiepatootie...and always a charmer. It breaks my heart knowing he is no longer on this earth...but gives me joy at the same time knowing that he will no longer be in pain...and doesnt have to suffer. You will be forever missed...but we will see you again one day soon!!!

“ Mike aka Shifty,
We are so sadden to hear of your passing. I will always remember your wonderful smile and you always seemed ageless to us. There are so many memories of you with Brandon and Gabe you were like the three musketeers as you guys were growing up I know their hearts have also been broken. I'm so thankful we got to see you get baptized a few years ago. I will never forget when you were 10 and Ray gave you the nick name Shifty. You will always remain in our thoughts and heart. Rest in Peace Shifty🙏

“ Mike, I can't believe you're gone man. I know we drifted apart as we grew up but we always seemed to find our way back to each other and every time we did, it was like nothing had changed. You had the best smile, an infectious laugh, and you hated to see anyone down. I wasn't allowed to be anything but happy around you and I'm sure that was the case with all your friends. Thank you for some of the best memories of my childhood and some pretty awesome ones as an adult too. wish we had more of them. You meant more to me than I ever got a chance to tell you. I love you. Go Tech!

“ I still can't believe this is real. I will never forget your smile. Or the way you always hugged everyone so tight. Your heart was so pure and never knew a grudge. I can't believe I'm having to type this in past tense... I really hope you heard when the nurses came in to tell you "munchie loves you" when I called and asked them to. I had a trip planned to drive down and sit w you Saturday night and Sunday this weekend... I didn't want it to be like this though, dammit Mike! I love you and I will never EVER forget you or stop missing you. I promise. Love, Munchie

“ Brother, where do I begin. You were my best friend, my partner in crime. When I got the message that you passed I sat on the edge of my bed and just wept. I will always remember all the good times we had and the laughs we shared and even a few tears. You had a presence about you that was second to none. You could always make me smile even when I didn't want to. You had your own gravitational pull and everyone was attracted to you. I'll always cherish and hold dear the fun times we had. You touched my life in ways I can't explain and you made me a better person. I miss you so much and wish this was all a bad dream but I know that's not the case. I love you my friend, my brother and I don't consider this goodbye I consider this a see you later. I love you and can't wait til the day when I can see your wonderful smile again. I LOVE YOU BUBBA

“ I can't even begin to describe the devastation I feel from losing you. 20 years of being my best friend and my brother was not nearly long enough. You were a great man with an infectious smile, a huge loving heart of gold, and full of charisma and charm. I keep replaying the past 20 years of all the love, joy, laughter, tears, trails, adventures, long nights, our talks, inside jokes and shanangins over and over in my head. I don't know what I'm going to do without you here anymore, you were always the one that made everything better, you could make the most horrible days seem so easy to drift away. I will carry you with me in my heart, and wherever I go and know that I shared it with you! I know that your free of your pain and suffering and that I will see your smiling face again but until then keep my daddy company, give him a hug for me, and tell him some of your awesome jokes. You will always be my silly goose! I love you and miss you Bubba! Always & Forever!
