“ So sorry to hear of your Momther's passing. Because of a very bad cold was not able to attend her funeral. I will always have special memories of your parents as our bus drivers and good neighbors. Rest assured they are once again together in heaven. God Bless all of you.

“ My prayers and thoughts with you the Peterson family. It was a real delight to have Donna up at the Forest Circle complex. She was always so friendly to all. I loved visiting with her and hearing about all of her children and grandchildren and greatgrandchildren. I loved her family picture collages in the garage. May you find comfort in sharing memories from the past years. God be with all of you. Carol Halverson

“ I Love Donna & John with all of my heart & soul. They are my God parents and took care of my as a baby when my mom worked in Rapid City, SD. I spent every summer and some Christmas breaks of my childhood with them on the farm in McKinley, WI. They Loved me unconditionally. I am forever in their debt. I miss them so... I know they are now together in heaven. God bless them and their family, now and forever. Timothy John Peterson
