“ I work with Mr. Brock's son, Josh and only had the pleasure of meeting Steve earlier this year. From my desk I could see him as he would enter the building and he always had a smile on his face and a box of doughnuts in his hand. He would say, "meals on wheels." We would talk for a few minutes and he would always leave me feeling better about this crazy world. I will miss seeing him and his kind nature. May he rest in peace.

“ Steve loved his family and Steve loved his friends. And you felt that love anytime you were around him. He gave hugs without hesitation and would always ask about you and your family. I played football and baseball with him at CHS and later we played in a softball league for several years. He was one of a kind and will be missed. To Ana , Teresa and family we send our thoughts and prayers and may your memories give you comfort.

“ *I was so sorry to hear the news of Steve's passing. I truly think he was the kindest and most sincere person I have ever known. We used to run into each other over the years and there was never a time that I saw him that he did not pay me a compliment of some kind, regardless of how small the compliment was, it was always given with sincerity. My condolences to the family. He will be missed by so many who knew him.*

I have known Steve and the Brock family since high school days at CHS. He was always a great guy and was always friendly to everybody. He was the best all around athlete I saw in my years at CHS. RIP Steve!

Steve and I played Little League Baseball together in the early 60's. We played basketball together for four years in HS, @ Campbell High School before graduation in 1968.

Steve was the type individual you always wanted on your team, no matter what the circumstances.

His Father was a passionate coach and leader to all young boys a men.

Steve will be missed. RIP Steve.

The Brock family were pillars of the community in Fairburn. All of us who went to Campbell High School with Steve were in awe of his strength and athleticism as well as his kindness and gentleness. My sympathies to Teresa and all the family.

Steve was a classmate at CHS. He always had a smile and kind word. When I would run into him around town he also had a minute to stop and talk and catch up. My prayers are with the family, draw close to GOD and he will draw close to you.
