“ John was such a great friend and I will miss his quick wit, his smiles, and hugs. Most of all I'll miss his visits to our house. When we had dinner he prayed, and that was a true blessing.

“ Lori, Mark, and Stratton family,
Know of my prayers for each of you in the coming days. Uncle John was well loved. I always looked forward to visiting with him whenever we were in Atlanta. He sure could make me laugh, especially when he and dad were together. I am so thankful to have had that opportunity in July. I wish I could be there to celebrate his Homecoming with ya'll and to hug your necks. I rejoice knowing that he is with our Savior, and with Aunt Betty, Granny and the rest of his family. My love to all of you!

“ My father was a great man. He tried his best to raise me right, give me values and a proper foundation for life, and some of it even took! Most importantly, he lived what he believed, loved me, and loved those around him. He truly served God by doing for, and serving, others. I am a better person because of my Dad.

“ I am grateful to a loving God that would lead us to a "Papa" who could love us unconditionally, pray for us, play with us and let us be a part of his family. And as for his family - we will be eternally grateful to you all - Lori, Phil, Mark and Deanna - for sharing him with us. He was a gift from God to us and our lives will be empty without him. We love you Papa - with all our hearts.

“ John was one of our Assistant Treasurers at Flat Creek. I always looked forward to the week when it was his turn to sign checks for me. He ALWAYS had a smile on his face, a funny story to tell, and a wealth of wisdom to share. One thing I know, John is happier right now than he has been in a very long time because he has been reunited with his dear sweet love, Betty. I am so blessed to have known him, I will miss him very much.
