“ So sorry to hear of your dads passing. He and your mom were such good friends and neighbors to my folks at EP Presbyterian and latter at Christian City. He was a properly intimidating father when Renee and I dated in high school. My thoughts and prayers are with your family.

“ I am sorry to hear about your dad - he was a very special person and he and your mom were such welcoming friends to mom. I remember when we were in England she had to find a special kind of tea to bring back to John. We were both blessed with wonderful parents - mom and he will both be missed. She passed on Dec. 27th. You and your family will be in our prayers.

“ As a child growing up, I always admired Uncle Johnny for his wit and wisdom. Now as a senior citizen myself, I admired him even more for those qualities and so many others, like his inquisitive mind and positive outlook. I am saddened by our loss and pray for my cousins, his and Aunt Dots children and grandchildren. He will be greatly missed and was greatly loved and esteemed by many. Thanks for the memories, Uncle Johnny. I never drink hot tea without thinking of you!!
