“ She was always so kind and filled with love. I lived going to her house and swim in her hot tube when i was a kid. And then later in life i loved going to see the horse's and hearing stories of her and my daddy(bud hand) whe they were kids. I will miss her gentle voice and her hugs. Hug my daddy for me! ❤️ i love you.

“ To my big sister Johnette,
U were always there for me... from the stroller rides when I was a baby to taking me on my first date at 6 years old with Peggy to the drive inn movie. When I was 10 years old you took me to see and visit the Ocean & Beach for my first time. Even when you were busy taking care of Mom during her sickness you always had my back. You and I had a special bond & I loved you for that & will never forget great times together. Thanking you for everything you did for me through our lifetime together.
I am not good at saying "Goodbye" SO "Farwell" until we meet each other again beyond the rainbows in the big blue sky.
Love your little brother,
David

PS:

If any of the Hands, or Orrs got to Heaven tell them David says, "Hello". Please give Mom and Gabe a big "Hug" from me.
