I am thinking of you and your family during this time of loss. My prayers are with you and know that your memories and God's love will comfort you in the days to come.

“ Johnnie was one of the first people I met at Living Proof Church. He treated me like family. If I had missed a day or been away for a while he would always ask how was everything. He was genuinely a nice guy, and he could tear it up on the drums too! I will miss him. I'm a better person for having met him.

RIP Johnnie
