“ *Johnny Mills was a great American. He served in the United States Navy during the Vietnam War, and was awarded many medals for his outstanding service during his military career. He reached the rank of Master Chief, while carrying out most of his military time stationed on submarines. Johnny was a Radioman Specializing in Communication Technology. He was based out of Virginia, South Carolina, and Hawaii and other states during this period of his life. As much as Johnny loved and honored his country, he loved and cherished his family more. He had a great personality and could light up your life with his smile and laughter. It was a privilege to have a man like Johnny to look up to and to call brother. Most of all Johnny leaves a legacy of love. "Now these three are eternal: Faith, Hope, and Love, but the greatest of these is LOVE." I Corinthians 13:13. I will carry your love throughout eternity. Your loving sister, Mrs. Mozelle Mills Williams.* ”

“ Uncle Johnny was always kind to me. I didn’t see him often but he always laughed at my silly jokes and said I was “sharp as a tack” when I was little. He would tell me jokes and ask me if I had any. I remember asking him to hold my cabbage patch dolls when he was visiting his mom, my Grandma Mills, while she was in the nursing home in Lawrenceville. One doll was a boy and one was a girl. He kindly placed one doll on each leg and asked “Now he won’t pee on me will he?” I said, “No, but she will!” That cracked Uncle Johnny up! He laughed and told that story over and over. I’m happy he is now reunited with Aunt Betty and all the loved ones who have gone before and that they are walking streets of gold today! My prayers are with his surviving family today.
