“ *I am so saddened to hear of this devastating news about Johnny. He was always such a happy person...in school and this carried through as an adult. Never remember a single time that he wasn't smiling. I am sure there were times that he didn't but he leaves behind to all of us that had the pleasure of knowing him those big smiles and humor. I know you all will miss him tremendously. May you find comfort in knowing he is among all his family and friends in heavens kingdom.*

“ So sorry to hear of Johnny's passing. It's amazing, I haven't seen him in years but we went from 3rd grade to graduation together. He use to pick on me but it was all in fun and as the other comments say he could always make you laugh. Please know you have my heartfelt sympathy and I pray for peace and comfort for the entire family.
