“ You were my brother and best friend Mike Dishman, even though we were birthed by differenting sets of parents.

I honor your life and the way you lived it.

I miss you but realize that you simply moved into your afterlife, as far as humanity is concerned.

You may have changed your location of residence and laid aside your body of flesh for now, but we the faithful shall all be worshipping as a group before the Father and the Lamb for all of eternity before much longer.

I miss you my friend and brother.

You maybe gone from this flesh but you are far from forgotten.

You have been promoted and are now among the greats of the saints.

Hebrews 12:1-2

Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

Thank you for all you have done for me over our 34 years of friendship;

All of the memories, the good and others that people with more wisdom would have said were bad, or at least scary;

For urging me on when I needed affirmation, and at other times holding me back by the shirt tail;

For not leaving me alone in danger, even when you told me, "if we get out of this I will kill you myself, but I will not leave you to them";

For all of your prayers including our times of joining together for prayer;

being comrades even as we went to meet with Pastor Allen Mathura to verify our calls to ministry;

LoL and for never breaking confidence and taking some of my

*secrets with you into your reward,
Your brother and friend
