“ Joe was a great friend and person. We worked together for several years at Georgia Power. I remember when Joe, Ken Jones and myself would go out to eat catfish and with all the fish those two ate it wasn't safe at that table for all the bones. Joe will be forever missed. Sorry David and family for your lost.

*“ I was working with Barbara Powell (Joe’s companion now of 17 years) when she came in one fall day beaming about a gentleman that she had met. After listening I realized that she was describing Joe Hall, a long time friend and co-worker of my husbands, Don Morrison. Joe was just as wonderful as she had said. He was truly a man of integrity, loyalty and loved his family. I hope that his friends and family find comfort in knowing they are in our prayers and their loved one he is no longer suffering.  
Thinking of you all,

“ I enjoyed getting to know these past 5+ years .He was funny and entertaining always .Told Great Stories .  
He had a Big Heart ,beneath his tough exterior .  
I was awed by his courage in dealing with the constant pain he endured.

“ *Joey, I was never so shocked to see that your Dad had passed away. I saw him last year sometime at the Pain Clinic. I met him when I was in insurance. Even though we did not talk or see each other he was a Special Man to me. I know he loved his family more than anyone realize. My thoughts and prayers are with you and your family.*
